

School: Yan Oi Tong Chan Cheng Yuk Yee Kindergarten

School Year: 2023/24

Class: K1

Activity: Expedition from the Sea to the Land@ The Hong Kong Ocean Park

Objective of the Activity:

1. Use perceptual abilities to explore the characteristics of marine and terrestrial animals
2. Observe the relationship between the needs of different animals and their habitats.
3. Interact with educational ambassadors through games.

Activity Introduction and Record:

Under the guidance of the educational ambassadors, children and parent volunteers took the "The Grand Aquarium" and "Amazing Asian Animals" exhibits, visiting creatures like manta rays, spider crabs, hammerhead sharks, and pandas, exploring the characteristics of marine and terrestrial animals, and understanding the relationship between the needs of different animals and their habitats.
