

**School Name: Yan Oi Tong Chan Cheng Yuk Yee Kindergarten & Nursery**

**Period : Semester 2022/23**

**Class : K2**

**Activity : Chinese New Year**

**Activity Goal :**

1. To have an understanding of traditional customs of Chinese New Year.
2. To enrich real life experience in a festive atmosphere.
3. To learn through the process of launching a flower market.

**Introduction :**

Children obtained the knowledge of traditional customs of Chinese New Year through reading the picture book "It is a busy New Year Eve". Children were interested in the flower market, so they cooperated with K3 children, collected related information and launched a flower market at school together. Teacher and children planned activities, designed games, made New Year ornaments during the process of preparation. They experience of happiness of setting up the stalls, by taking roles of shopkeepers. In addition, parents volunteered and joined in to make some Chinese pastry such as sweet egg twist and sesame balls. Children also learned to write lucky banners. Festive joy was in the air.
