

School: Yan Oi Tong Chan Cheng Yuk Yee Kindergarten

School Year: 2023/24

Class: Nursery to K3

Activity: Mid-Autumn Festival

Objective of the Activity:

1. Understanding the significance of the Mid-Autumn Festival
2. Know the origin and source of the Mid-Autumn Festival
3. Experience the traditional customs of the Mid-Autumn Festival and feel the joy of the festival.

Activity Introduction and Record:

The Mid-Autumn Festival is the first festival of the new school year, and in order to let the young children feel the festive atmosphere, the teachers first used the story of the "Happiness Mooncake Shop" as a motivating factor, and had the children learn about the foods and customs of the Mid-Autumn Festival together. Then the school also organized a series of activities, including parent-child lantern making, watching shadow puppet shows, making mooncakes at school, and a Mid-Autumn Festival celebration, allowing the children and their families to feel the full atmosphere and joy of the festival.
