

School: Yan Oi Tong Chan Cheng Yuk Yee Kindergarten

School Year: 2023/24

Class: K2

Activity: Funday with Firefly Conservation Foundation

Objective of the Activity:

1. Through the visit activity, let the children know about fireflies and different aquatic insects.
2. Learn the importance of protecting the environment and cherishing natural resources.

Activity Introduction and Record:

During the activity, the children explore the living environment of fireflies and other aquatic animals from multiple perspectives. The children can touch various animals, such as hexagonal dinosaurs and bullfrogs, and visually experience the luminescence of fireflies in the dark. Finally, they make firefly handicrafts, deepening their understanding of nature and learning to love and protect the growth of various animals and insects.
